Dear Neighbor,

The Lynbrook Titans are a youth football team that was established in 2013. Our mission is to provide children with the opportunity to learn teamwork, sportsmanship, and to grow as a loving family, while promoting physical activity and safety through football. Our goal is to offer all boys and girls in the Incorporated Village of Lynbrook and the Lynbrook School district the chance to participate in a well organized program at a reasonable cost with the safest equipment. We strive to make football and cheer an enjoyable and rewarding experience for all participants as well as teaching important lessons and morals that these wonderful children can use throughout their lives.

Our season runs from August through November. We have practice three times a week and play our games on Sundays. Our board of directors, coaches and administrators are all volunteers that take time from their busy schedules to organize the paperwork, coach our sons and daughters, and teach them all the love of the game. They hold meetings, discussions and motivational one on one chats with the parents and the children when asked and needed.

We supply all practice equipment for the participants, shoulder pads, practice jersey, practice pants and game jerseys. This equipment must be constantly up kept, repaired and/or replaced as well as tested to meet strict safety requirements. League fees and the cost of insurance are paid through the registration costs each year. We strive to keep registration costs as low as possible, but without the communities continued support, each year will get tougher to accomplish.

We have had several companies, families and organizations give sponsorships and donations already and we thank them immensely for their support. But costs are incurred on a daily basis, especially when you are in the beginning stages of preparing an organization from scratch. The need to purchase equipment for the first time and for maintaining the players places a burden on our program.

Your support of our program is greatly appreciated. New participants in our Sponsorship Program are graciously welcome to be part of the Titans family and will allow us to continue and provide a football league in a safe and organized environment to the youth of our community.
